

Don't see the remote, or it's in use? No problem — just tap the big pink button on screen instead.

Please **return the remote to the table** when you're finished so the next guests can use it too!

ON/OFF switch
on the side

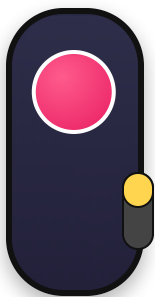

- 1 **Turn it ON** — flip the side switch before you start.
- 2 Get everyone in frame and **smile!**
- 3 **Press the button** to snap the photo.
- 4 When done, **turn the switch OFF.**

Hands-free photos — great for group shots!
